GET
IT?

THE
COUNTRIES
UPWIND
SUFFERED
THE "DRY
CURSE"!!!

I GET IT!! IT STEALS
THE RAIN THAT WOULD
NORMALLY FALL ON
SURROUNDING
LANDS!!

...FROM
EVEN THE
SMALLEST
CLOUDS.

THE
ARTIFICIAL
RAIN STOLE
THE
MOISTURE...

SO THIS
STUFF CAUSES
HAPPINESS AND
MISFORTUNE AT
THE SAME TIME.

AFTER THAT, THE
WORLD GOVERNMENT
BANNED THE
PRODUCTION AND USE
OF DANCE POWDER
WORLDWIDE.

...AND MANY
LIVES WERE
LOST.

THAT'S RIGHT.
AND WHEN THE
NEIGHBORING
COUNTRIES
REALIZED WHAT
WAS HAPPENING,
THEY ATTACKED...

...DROUGHT
RAVAGED THE
LAND. THE
ANGER OF THE
PEOPLE
INCREASED WITH
THEIR HUNGER.
ULTIMATELY, A
REBELLION
BROKE OUT!!!

IT WAS
A TRAP
SET BY
CROCODILE!!
AND JUST
AS HE
PLANNED...

HE WAS
BEHIND
IT ALL!!

CROC-

AND
WHO WAS
RESPON-
SIBLE FOR
ALL THIS
MISERY?

MANY
TOWNS...
AND
PEOPLE,
TOO... WERE
LOST.

THE PEOPLE
LOST FAITH IN
THE ROYAL
FAMILY, AND THE
PEACE OF THE
LAND WAS
SHATTERED!!

Q: Ha ha ha! Is that a hippo?

A: No. Be quiet. You're wrong.

Q: Oda Sensei, when Dr. Hiriluk was naked, how come the snow conveniently hid his private parts? Amenokawa.

A: Snow can be very useful sometimes.

Q: Hello, Oda Baby! I noticed something amazing about Mr. 2 Bon Clay!! He has an unusual code name. "Mr. 2" is a masculine code name, and Bon Clay is a feminine code name. Bon Clay stands for "bon-kure" or "Bon and year-end festivals." Holidays are used for female code names. So Bon Clay is a little of both, right?

A: That's right. The female agents are named after happy events.

O = All Sunday (For all the Sundays)

1 = Doublefinger (New Year's Day)

2 = Mr. 2 Bon Clay (Bon and year-end festivals)

3 = Golden Week (Golden Week)

4 = Christmas (Christmas)

January 1 or 1/1

Hence two fingers
(doublefinger)

People seem confused by Doublefinger, though.

Q: Here's a question for you. Nami's older sister is Nojiko. So what's my mother's name, Mr. Manga Artist?

A: Hmm... Well... UtsuBO? UtsuBOKO?

Q: Bwaaa!! Wrong. It's Nobuko. But that was close though. We'll do another quiz sometime.

A: Oh!! NOBUKO! I get it. Just one syllable off from Nojiko. Of course, I get it... No, I don't!!!
